

Inclement Weather - RAS

November 12, 2018

Hello families of Right At School,

We are so excited you are part of our family! We wanted to take a moment of your time to ensure families understand the inclement weather procedures at RAS.

In partnership with the Puyallup School District, we have selected to match the district late opening, closure, or early dismissal decision. Our hope by aligning with the district is to mitigate any confusion for families and ensure the safety of our educators as we work to accommodate your family's needs. Please see the inclement weather plans below:

- **If the School District is Closed:** RAS programs will be closed as well.
- **If the School District is 1 hour late:** RAS will open 1 hour late. We will then open at 7:30am. (Normal hours are 6:30am – 6:30pm.)
- **If the School District is 2 hours late:** RAS will open 2 hours late. We will open at 8:30am (normal hours are 6:30am – 6:30pm)
- **If the School District closes early or cancels afternoon activities:** RAS will stay open until **4pm** to accommodate families for pick up.
- **If an individual school is closed:** RAS will also be closed at that location only and no alternative care will be provided.

We understand anytime our program adjusts hours we impact families. Our goal, like the school district, is to act in the best interest of our children, families, and our educators. Each site cell phone will be updated with the most current information about closures, late starts, or early dismissals should the time arise. Please ensure the RAS site cell phone number is programmed in your phone. You can also contact our customer service team at the number below and they will have the most up to date information should the need arise.

Thank you for your ongoing support and please let us know if we can answer any further questions for your family!!

Warmly,

The RAS Leadership Team
